Job Title	Quality and Safeguarding Support Officer
Pay Band	Band 2- £18,546
Hours	37.5 hours
Contract Type	Fixed Term 12 months
Base	Cheshire CCG bases (Chester, Macclesfield and Nantwich)
Employing Organisation	NHS Cheshire Clinical Commissioning Group

In the ever-changing and complex world of health and care, the NHS is looking for the best and most forward-thinking individuals to join the team as we work to ensure the highest standard of healthcare services for the local population.

At an exciting time of change in the NHS, this placement role will expose the successful candidate to a wide range of opportunities and provide invaluable skills and experience, from daily business and commissioning of services to strategic and future planning. The placement offers a range of transferrable skills, essential to employers from all industries as well as one of the world's largest employers – the NHS.

Clinical Commissioning Groups (CCGs) are NHS-led organisations that are primarily responsible for commissioning (planning and buying) healthcare services that meet their local population's needs. From April 1st 2022, national health and care reforms will mean that the roles and responsibilities of NHS Cheshire Clinical Commissioning Group and, therefore, this placement opportunity will transfer to Cheshire and Merseyside Integrated Care Board (ICB).

Cheshire and Merseyside ICB has four key strategic objectives, to:

- Improve population health and healthcare
- Tackle health inequality, improving outcomes and access to services
- Enhance quality, productivity and value for money
- Help the NHS to support broader social and economic development.

From April 1st 2022, Cheshire and Merseyside ICB will be responsible for the day-to-day running of the NHS in Cheshire and Merseyside, including planning and buying healthcare services. ICBs will be part of an overarching Integrated Care System (ICS) that brings together NHS organisations, local authorities and wider partners to deliver more joined-up approaches to improving health and care outcomes. The ICB will report to and be guided by an Integrated Care Partnership: a forum for NHS leaders and local authorities to come together, as equal partners, alongside important stakeholders from across Cheshire and Merseyside.

Key Responsibilities- Quality and Safeguarding Support Officer

1. Provide business support to different teams to fulfil the current needs of the population, including admin support, report writing and attending meetings.
2. Support Quality teams: writing committee reports, booking meetings, note taking as required and project support.
3. Work with the climate change staff activists to create environmentally sustainable change across the ICS through project support and attending meetings.
4. Assist in the production and delivery of projects within several areas such as working with acute trusts, children services, community services and overseeing patient flow.
5. Participate in bespoke training sessions for personal and professional development.
6. Exposure to the wider NHS, system working, care sector and medicines management.
7. Opportunity to work with external partners such as other NHS trusts, local authority and third sector organisations.
8. Play a key role in the student recruitment process for any future student placements.

The list of duties for each role are not exhaustive but indicate the main areas of work and may be subject to change after consultation with the post-holder to meet the changing needs of the post.

The candidate will be given the opportunity to experience a range of other areas within the Cheshire health and care system where relevant to their role and their personal development and future career aspirations.

The ideal candidate will be proficient in Microsoft Office, including Outlook, Word, Excel, Publisher, and PowerPoint. The candidate must also be an excellent communicator and will have strong interpersonal skills. The individual will be a team player who is comfortable working with numerous colleagues. The candidate needs to be able to use their own initiative and have the ability to effectively manage and prioritise their own workload.

Please note: Cheshire CCG are primarily working from home with occasional work at bases across Cheshire. This is likely to continue during your placement year. The main locations of the Cheshire CCGs' offices are Chester, Macclesfield and Nantwich meaning occasional travel to bases may be required in accordance with the wishes of the successful candidate and their line manager. The CCG will support flexible working for those who wish to work from home.
