Your Request:

I require a copy of the earlier version of the policy for Criteria Based Clinical Treatment from Midlands and Lancashire CSU who I understand are part of Cheshire and Merseyside NHS. This policy was amended on 19.12.18 and 18.02.19. I require a copy of the policy that was in place in November 2018.

Our Response:

Please find enclosed Midlands & Lancashire CSU '*Criteria Based Clinical Treatments 2018-19*' that was used by the former Clinical Commissioning Groups listed, and which NHS Cheshire & Merseyside ICB understands to be the policy in use in November 2018.
