Your Request:

May I ask which BI is your ICS using, can you forward the contact of the data person within your ICS?

Our Response:

NHS Cheshire & Merseyside ICB access a number of data platforms across a range of NHS and Local Authority organisations. The Business Intelligence (BI) reporting tool used by NHS Cheshire & Merseyside ICB to collate this source data is PublicView.

NHS Cheshire & Merseyside ICBs lead person responsible for BI is Anthony Middleton, Director of Performance & Planning. You can contact NHS Cheshire & Merseyside ICB with any enquiries for staff via our general enquiries email address at: enquiries@cheshireandmerseyside.nhs.uk
