

**Your Request:**

**1) Part of my role involves liaising with GP practices across the North West and beyond, and most of their email addresses have recently changed. I would be most grateful if you could provide me with a list of the new contact details for all GP Practices in your area?**

**Our Response:**

1) NHS Cheshire & Merseyside ICB does hold information on contact email addresses for our member GP Practices. However, GP Practices are separate independent organisations to NHS Cheshire & Merseyside ICB and as such, these email addresses are the property of each individual GP Practice.

As a result, please find listed below links to NHS Cheshire & Merseyside ICB's member GP Practices, broken down by former CCG area and which detail the publicly available contact details for these GP Practices. Where email addresses are not provided, you may wish to contact the GP Practice(s) directly to seek the contact email addresses they provide for use by the public.
